

5th Annual UNC CRNA Anesthesia Meeting

***Saturday, March 9, 2019
The Rizzo Conference Center
Chapel Hill, NC***

Meeting Description

The purpose of this meeting is to provide Certified Registered Nurse Anesthetists (CRNAs) an up-to-date refresher on current research relevant to the practice of anesthesia.

The goals of the CEU activity will be accomplished with lectures and discussion. The ultimate goal is to provide participants information to improve the quality and safety in the care of surgical patients requiring anesthesia.

CEU Approval

This course has been prior approved by the American Association of Nurse Anesthetists for 7.0 Class A CE Credits; Code Number 1037185; Expiration Date 03/09/2019.

AANA designates this program as meeting the criteria for up to 0.25 CE Credits in pharmacology/therapeutics

ADA Statement

If an attendee requires the use of auxiliary aids or services identified by the American Disabilities Act in order to attend this meeting, he or she should contact Lynn Craven at 919-966-0009.

Refund Policy

Registrants calling at least one month in advance of the program date will receive a full refund of the conference registration price.

Cancellations received one month and two weeks prior to the program will receive a 50% refund. No refunds will be issued for cancellations received with two weeks of the program start date. All cancellations must be in writing (fax, mail or email).

Accommodations

Accommodations are available at Courtyard by Marriott under block: UNC CRNA Meeting until February 6th. Call 919-883-0700 for reservations.

Learning Objectives

- ◆ *Participant will be able to identify the available resources for the anesthesia during a Mass Casualty Incident (MCI)*
- ◆ *Participants identify current methods for reducing perioperative narcotics.*
- ◆ *Participants will discuss the pros and cons of sugammadex when compared to classic reversal agents.*
- ◆ *Participants will identify management techniques of the pediatric airway during airway evaluations.*
- ◆ *Participants will learn alternatives to narcotics for T&A surgery in the pediatric patient*
- ◆ *Participants will discuss tax and insurance concerns for the contracting CRNA*
- ◆ *Participants will discuss reasons why shortages occur and prevalence in practice*
- ◆ *Participants will examine new US applications being used in the perioperative area*

Registration

Registration Fees **BEFORE** 3/1/19

AANA Members \$135

AANA Non-Members \$145

Anesthesia Techs, SRNAs \$85

Registration Fees **AFTER** 3/1/19

AANA Members \$155

AANA Non-Members \$165

Anesthesia Techs, SRNAs \$85

Agenda

- 0700—0730 Registration, Exhibitors & Continental Breakfast*
- 0730—0830 Emergency Preparedness in Anesthesiology
Andres Orjuela MSN, CRNA*
- 0830—0930 The Opioid Epidemic and Anesthesia—Dangerous
Crossroads or Pathway for Change?
Kellar Lambert, MSN, CRNA*
- 0930—0945 Break and Exhibitors*
- 0945—1045 The Basics of the Business: Anesthesia Contracting
Bob Whitehurst, MSN, CRNA*
- 1045—1145 Sugammadex: The Most Significant Novel Agent of our
Anesthetic Generation or Two Drugs are Better Than
One
Lili Teleki, MSN, CRNA & David Dirito, MSN, CRNA*
- 1145—1245 Lunch*
- 1245—1415 The Role of Ultrasound in Perioperative Patient
Management
Christian Falyar, DNAP, CRNA*
- 1415—1430 Break and Exhibitors*
- 1430—1500 Anesthesia Drug and Supply Shortages: Problem, Causes
and Implications for Practice
Lynn Tran Harris, MSN, CRNA*
- 1500—1530 Pediatric Airway
Amanda Greer, DNAP, MSNA, CRNA*
- 1530—1600 No Narcotic Approach with Pediatric Patients
undergoing T&A
Marisa Elek, MSN, CRNA*

Let's Go Green at the Blue!!

There will be no paper handouts of lectures.
